- j. not to leave the Card data saved via any devices in a way that allows them to be used or read by unauthorized persons.

## **11. IBAN Service**

11.1. IBAN Service is provided by Breinrock.

11.2. The Company at no time has any ownership over the Funds placed to IBAN and these Funds shall be kept segregated from any other Users' or Company's Funds.

11.3. Breinrock will execute only payment orders authorized by the User relating to the User's account, which was opened according to this Agreement, strictly within limits of available balance at the User's account.

11.4. The User cannot recall the authorization if Breinrock has executed the User's payment order.

11.5. Neither Breinrock nor the Company is not responsible for the untimely execution of the User's Transactions due to force majeure, such as, interruptions in telecommunications, power failures, system interruption for the execution of inter-banking transactions, system crashes, etc., and other similar reasons on which Breinrock or the Company could not have any influence.

## **12. Liability**

12.1. The Parties shall be liable only for the direct damages they may cause to each other. The Parties can in no circumstances be held liable for any indirect losses they may cause.

12.2. The User's funds shall be treated as follows:

12.2.1. The User's Funds placed on the Platform are protected from the claims of the Company's other creditors.

12.2.2. The Users' Funds deposited to the Platform shall be segregated from the Company's own funds and shall not be included as part of the assets of the Company in its capacity in the event of its liquidation, bankruptcy, or any other situation affecting its creditors' rights.

12.2.3. At no time User loses their ownership rights to the Funds placed on their Account on the Platform and the Platform gains no proprietorship rights to these Funds and keeps them segregated from its own funds.

12.3. For reasons linked to the legislation concerning the prevention of fraud, money- laundering, and the financing of terrorism, the Company maintains constant vigilance over all payment transactions effected via the Company.

12.4. With its payment order authorization platform, the Company offers an anti-fraud module including the 3D Secure payment security protocol covering any credit or debit card transaction. Depending on the amount of the transaction, this authentication system is flexible and allows the selection of criteria based on the payment source.

## **13. Prevention of money laundering and financing of terrorism**

13.1. The Company is subject to all Estonian regulations governing the prevention of money laundering and the financing of terrorism.

13.2. Under the provisions of Estonian laws concerning the participation of financial institutions in combating money laundering and the financing of terrorist activities, for any transaction or business relationship the Company is required to ascertain from every User the source, purpose, and destination of the transaction or Wallet. Additionally, it must carry out all necessary investigations to check the identity of the User named on the Wallet and of the beneficial owner, if necessary.

13.3. These investigations form a part of the Company's general terms and conditions for using Funds, and are accepted by the User before using the service.

13.4. The User undertakes to use its best efforts to enable the Company to carry out a thorough review of transactions, to inform it of any transaction that is exceptional to the usual transactions processed within the framework of this Agreement, and to provide it on first demand with any requested document or data. The User shall comply with all monitoring requirements regarding the prevention of money laundering and the financing of terrorism (AML/FT). It shall install and carry out permanent internal monitoring procedures.

13.5. At the Company's request, the User may provide an annual report to enable the Company to fulfill its regulatory reporting obligations.

13.6. The User acknowledges that the Company may need to install monitoring systems designed to prevent money laundering and the financing of terrorism. It agrees unconditionally to comply therewith.

13.7. The User acknowledges that, in the absence of sufficient details about the purpose or nature of transactions and purchases, the Company may at any time stop or postpone the use of a User name, access to the Company, or the carrying out of transactions and purchases based thereon. It is aware that a payment transaction carried out via the Company may be subject to being communicated to the national financial intelligence unit in Europe. No legal proceedings or civil liability action may be brought or professional sanction pronounced against the Company, its authorized representatives, its managers, or its employees who have in good faith stated their suspicions to their national authority.

#### **14. License to use and exploit intellectual property**

14.1. License to use the Interface

14.1.1. The Company hereby grants the User, subject to standard and legal guarantees, a license for the personal and non-exclusive use of the Interface and its operating applications (hereinafter referred to as "the Rights") for the entire duration of this Agreement.

14.1.2. The usage license is personal and non-transferable to third parties.

14.2.3. The Company certifies that it retains complete ownership of the granted rights mentioned herein, the right to dispose of them, and to freely grant licenses thereof to whomever it chooses.

14.2.4. It declares that it has not incurred any obligation or agreed to any condition that limits its freedom to exploit the rights. The Company therefore indemnifies the User and any of its assignees against all disputes, claims, or loss of rights due to third-party actions. It consequently guarantees the User the peaceful enjoyment of the rights on which the usage license is based.

14.2.5. The Company undertakes vis-à-vis the User to uphold these rights and to defend or co-defend them against any infringements thereof.

#### **15. Applicable Law and Dispute Resolution Procedures**

15.1. This Agreement shall be governed by and construed by the laws of Estonia.

15.2. The Parties shall attempt to resolve any dispute arising out of or relating to this contract through negotiations between senior executives of the Parties, who have the authority to settle the disputes.

15.3. If no agreement between the Parties is reached the disputes shall be settled in the district courts of Estonia.

THE COMPANY RESERVES THE RIGHT TO AMEND THE LIST OF THE PROPOSED SERVICES AND PROVIDE OTHER SERVICES ACCOMPANYING THE SERVICE MENTIONED HEREIN.
